

# SUIN CHOI

suinnn@yonsei.ac.kr

## EDUCATION

---

Yonsei University, Seoul  
B.S. in Artificial Intelligence

Mar. 2024 – Present

## RESEARCH INTERESTS

---

My research interest is in developing **AI systems capable of common sense reasoning within human social contexts**. My specific goal is to create a **human-centric AI agent** that can understand an individual's circumstances and intentions through **rule-based common sense inference** to provide proactive support.

## AWARDS
